RAYCO's Mini Work-Force is the most complete line of handlebar stump cutters available. These rugged machines provide a commercial-grade solution for your stump cutting needs when compact size and affordability are at the top of your priority list. Every unit is built with features like heavy-duty frames, adjustable handlebars, and powder coat paint finish. Quality components throughout, with gasoline engines by Honda and Kohler, and top-of-the-line air filtration systems. All operator controls are located behind the operator station for safe and easy operation.

Adjustable handlebars to accommodate operators of all sizes

Compact design fits through standard gates

2 year warranty on frame/handlebar assembly

Durable powder coat finish

All models feature operator presence safety bar

RG13 & RG25HD models are equipped with electric start

Think Smart, Think Safe.....

We care about your safety. When operating your RAYCO machinery always wear an approved helmet complete with ear muffs, face shield and the proper eyewear. Never operate under the influence of alcohol or drugs. Know your RAYCO, read and understand your owner's manual cover to cover.
